

Major traffic shifts in place at Turnpike Interchange 14A in Bayonne & Jersey City

Two major traffic shifts are in place at Turnpike Interchange 14A because of the ongoing improvement project.

- Eastbound East 53rd Street is closed to through traffic at Avenue E. Drivers who want to access the Turnpike through the 14A toll plaza will have to use an eastbound street south of 53rd. Access to Quick Check, Value City Furniture, Bayonne Auto Repair, and other local businesses on East 53rd Street will be maintained. Westbound East 53rd Street from the Toll Plaza to Broadway will remain open.
- Traffic from the toll plaza to Port Jersey Boulevard and Route 440 is being shifted to the left (east). Drivers exiting at 14A are encouraged to choose a toll lane toward the left to access Route 440, toward the center to access Avenue E, and toward the right to access westbound East 53rd Street.

For more about the traffic shifts, click [here](#). The most comprehensive information about work being performed in connection with the Interchange 14A Improvements can be found on the project website, www.njta14a.com.

For real-time traffic conditions during the weekend, drivers should call 511 from a hands-free mobile device or download the SafeTripNJ smartphone app. Live traffic cameras and traffic advisories are also available on the Turnpike Authority website (www.state.nj.us/turnpike).
